DR. RICHARD FORD, EXECUTIVE DIRECTOR

### Camper Feedback:

"I am already counting down the days until I return to Signature next year! Thank you so much for everything that everyone at Signature helped me accomplish this year in my endeavors in music and as a high school teenager."

*-Paige Hazzan, Buffalo, NY*

"I have attended other music camps in the Northeast and did not have nearly as good a time as Signature. It made me appreciate my awesome time at Signature even more."

*-Madison McCullough, New York City*

"Music is fun in this environment because you interact with people who have the same interests. Camp is the highlight of my summer!"

*-Grace Mellen, Newark Valley, NY*

"I have enjoyed Signature for three years and never want to leave. I have told hundreds of other students how awesome Signature is!"

*-Justin Fox, Fonda, NY*

"I have thoroughly enjoyed the past six years at Signature. Thanks to the musical abilities and personalities of all the staff, I looked forward to coming back every year. Each year was unforgettable."

*-Sarah Gayle, Gilbertsville, NY*

### Parent Feedback:

"I highly recommend Signature to other families because it is outstanding musically, exceptionally well-run, and the kids have a great time!"

*-Steven Fland, Moravia, NY*

"The level of instruction is wonderful. My child even loved sight-singing!"

*-Nancy Kahn, Lansdale, PA*

"My son feels so at home at Signature. He has made many lasting friendships and the camp has helped him grow musically and at a greater maturity level."

*-Jill Hammond, Fairport, NY*

"The Signature experience has come to mean a tremendous amount to my daughter. She had the opportunity to become part of the Signature community which made a lasting impression on her over those two weeks."

*-Rae Slingerland, New Paltz, NY*

"Signature is not just for the extremely talented kids. It is for any child who has a true interest in music and a desire to have it be a bigger part of their life. Signature exposes children to music in a way that school might not be able to. The kids develop a great appreciation for music as well as independence and overall growth just from the experience of being away from home."

*-Theresa Brom, Newark Valley, NY*

"My children have learned so much each year at Signature. Camp has helped them to keep up with their musical skills over the summer and has driven their passion to pursue music as a career choice!"

*-Darlene Isaac, Penfield, NY*
